

Article No: 200003

December 12th 2003

Dear Customer:

According to Federal Regulations DirectLine roofing products commercially available under the name Perma-Seal in all color versions thereof is classified as Articles of Manufacture (29 CFR 1910.1200) and are exempt from the Right-To-Know and Material Safety Data Sheet (MSDS) Requirements.

Articles of Manufacture are defined as:

“a manufactured item which is formed to a specific shape or design during manufacture, which has end use functions depending in whole or in part upon its shape and design during end use and which does not release or otherwise result in exposure to a hazardous chemical under normal conditions of use.”

As the above product falls under the definition of Article of Manufacture, there is no need for a MSDS. Therefore, no MSDS has been forwarded to your attention. This helps us greatly in our efforts to reduce the amount of paper we use, in turn helps to preserve our natural resources.

If you have any questions regarding the above, Please call our Customer Service Department @ 866-773-6136.
